### THOMAS ORCHESTRA

The World Renowned, at  
Evansville, Ind., June  
22nd and 23rd.

Without doubt the greatest musical event, which the people in this part of this country have ever had an opportunity to witness, will be the rendition of three grand concerts by the world renowned Theodore Thomas Orchestra in the city of Evansville, Ind., at Evans Hall on June 22nd and 23rd, with a matinee on the latter date.

The Liederkranz Mannerchor of Evansville will celebrate its Golden Jubilee at that time, and it is this large and enterprising singing society, which secured Thomas Orchestra under an enormous expense, and will give this rare musical treat to the population of Southern Indiana, Southern Illinois and Western Kentucky. In connection with the orchestra will be heard a mixed chorus of 150 trained voices under the able leadership of Prof. Wm. Ekert, with a number of the most eminent soloists in this part of the country.

The influence of the Thomas Orchestra has gone out year after year in ever widening circles, spreading the cause of music and bringing contentment and pleasure into many lives that would be cheerless without its elevating effort. Thus writes the Chicago Evening Post, but so far only the largest cities of the country have had occasion to hear this most renowned of all orchestras. The opportunity now offered, to enjoy so great and rare a musical treat at nearby Evansville, will certainly be grasped by our readers, the more so, since special low rates are offered on all Railroads, Fraction lines and Steamboats, that enter the Crescent City of Southern Indiana.
